

New Electronic Program For Volunteer Sign Ups

At the Spring AGM a suggestion was brought forward that the LSMHA board look at an electronic program that would allow parents to sign up electronically for volunteer opportunities, instead of using the paper postings in the arena. This will allow all parents equal access to the postings on a real time basis.

For the 2018-2019 season we will be using a program called “Sign Up Genius” which will allow for links to volunteer opportunities to be posted on our website.

All parents who sign up for our automatic news feeds from the LSMHA website, will receive the volunteer sign up links and can sign up directly from their phone, computer, Ipad, etc.

If you sign up for the direct news feeds from the website this is what your email notification will look like when a volunteer posting is sent out.

If you click on the link you will be directed to the Sign Up Genius website.
