

## 2016 LSMHA Tyke/Novice Tournament Photography

Julie Whelan Photography will be capturing action images at this year's tournament. Here are some tips to make sure you get the most value out of our services:

1. **Don't wait until your last game to talk to us.** We base a lot of our decisions on interest, so if you're interested in pictures, let us know right away. We will have a booth set up in the main lobby. Come and see us! Pictures can only be purchased Saturday.
2. **Organize our team package.** We have the best team package in the business. For \$250 you'll get over 200 images of your team captured from 2 games on Saturday. You'll receive a disc of all the images on the spot, and we'll also host all the images on our online drive and store them for the rest of the season, allowing everyone on the team to access the images anywhere, anytime from a phone, tablet, or computer. You MUST let us know as soon as possible if this is what you're planning to order. The earlier you order, the more images you receive typically. We price one photo at \$15, but with a little teamwork, a team of 16 players can get them all for just \$15.63/family. **Limited-Time Offer: Valid only Saturday, Feb 13<sup>th</sup>.**
3. **We do NOT sell images on our website.** All purchases must be made on location, and all products are delivered at the same time. You do not wait to receive your orders in the mail. All prints and digital files will be produced in just minutes right in front of you. Don't miss out by expecting to order afterwards. You cannot order after Saturday, so come see us at our booth.
4. **Make a request!** We don't know which of you will want to purchase pictures. Let us know ahead of time and make a request. Knowing who to focus on in a hectic hockey game ensures that you'll get many quality shots to choose from. This also synergizes perfectly with our personalized disc: for just \$50 you get every image we take of your player, which is usually dozens if you make a request.

In summary, fairness is very important to Julie Whelan Photography. That's why we operate on a first-come, first-served basis. Best of all, the customer reaps the reward; the first teams to order are given priority and get more pictures for their money, plain as that.

**Pre-order your team package** by phone at **(226) 448-3137** or by email at [juliewhelanphotography@gmail.com](mailto:juliewhelanphotography@gmail.com)
